MANAGEMENT PROXY CIRCULAR

as at May 23, 2023, *(except as otherwise indicated)*

This Management Proxy Circular is furnished in connection with the solicitation of proxies by the management of GFM Resources Limited (the “Corporation”) for use at the annual general meeting (the “Meeting”) of its Shareholders to be held on June 26, 2023 at the time and place and for the purposes set forth in the accompanying Notice of the Meeting.

In this Management Proxy Circular, references to “the Corporation”, “we” and “our” refer to GFM Resources Limited. “Common Shares” means common shares without par value in the capital of the Corporation. “Registered Shareholders” means shareholders whose Common Shares are registered in their names. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are a director and/or officer or solicitor for the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and vote on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so using one of the following ways:

- (a) complete, date and sign the enclosed form of proxy and return it to the Corporation's transfer agent, Computershare Trust Company of Canada, by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9;
- (b) use a touch-tone phone to transmit voting choices to a toll-free number. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number and the holder's 15-digit control number; or
- (c) via the internet through the website of the Corporation's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's 15-digit control number.

In all cases Registered Shareholders must ensure that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders, (also referred to as "Non-registered Shareholders") should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Corporation as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "intermediary"). In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust & Clearance Corporation (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: Objecting Beneficial Owners ("**OBOs**") object to their name being made known to the issuers of securities which they own; and Non-Objecting Beneficial Owners ("**NOBOs**") who do not object to the issuers of the securities they own knowing who they are.

For this Meeting, Broadridge Financial Solutions, Inc. ("**Broadridge**") will mail the Meeting proxy materials to the Beneficial Shareholders. This year the Corporation will not be taking advantage of the provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* that permit the Corporation to deliver proxy-related materials directly to its NOBOs and OBOs. As a result, Beneficial Shareholders will receive a Voting Instruction Form ("**VIF**") from Broadridge, which VIF should be completed by the Beneficial Shareholder and returned to Broadridge in the envelope provided or by a delivery option described on the VIF itself, which contains complete instructions. Broadridge will tabulate the results of the VIFs received from Beneficial Shareholders and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs Broadridge receives.

These securityholder materials are being sent to both registered and non-registered (beneficial) owners of the securities of the Corporation. If you are a beneficial owner, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

If you are a Beneficial Shareholder:

If you are a Beneficial Shareholder you should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided by the Corporation to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form ("**VIF**") in lieu of a Proxy provided by the Corporation. The VIF will name the same persons as the Corporation's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Corporation), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge in accordance with its instructions, well in advance of the Meeting, in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and to vote your Common Shares at the Meeting.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and are being effected in accordance with the corporate laws of Yukon and securities laws of the Provinces and territories of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the Provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the Provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is incorporated under the *Business Corporations Act* (Yukon), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Corporation in BC at 1500 – 1055 West Georgia Street, Vancouver, BC V6E 4N7, at any

time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or

- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Corporation, or any person who has held such a position since the beginning of the last completed financial year of the Corporation, nor any nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the continuation of the share option plan and as may be set out as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Corporation has fixed May 23, 2023 as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The authorized capital of the Corporation consists of an unlimited number of Common shares without par value. As of the Record Date, there were 19,085,071 Common Shares issued and outstanding, each carrying the right to one vote. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

The Common Shares of the Corporation are listed on NEX ("**NEX**") of the TSX Venture Exchange (the "**TSXV**").

FINANCIAL STATEMENTS

The consolidated audited financial statements of the Corporation for the year ended December 31, 2022, report of the auditor and related management discussion and analysis will be placed before the Meeting. Copies of these documents are available under the Corporation's profile on SEDAR at www.sedar.com.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors than there are vacancies to fill, or another auditor is nominated, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

NUMBER OF DIRECTORS

The Articles of the Corporation provide that the number of directors of the Corporation will be a minimum of three and a maximum of ten. At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Corporation at four (4). The number of directors will be approved if the affirmative vote of the majority of Shares present or represented by Proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at four (4).

ELECTION OF DIRECTORS

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is vacated earlier in accordance with the provisions of the *Business Corporations Act* (Yukon), each director elected will hold office until the conclusion of the next annual meeting of the Corporation, or if no director is then elected, until a successor is elected.

Advance Notice Provisions

By-Law No. 2 which includes Advance Notice Provisions with respect to the nomination of directors (the "Advance Notice Provisions") was adopted by the Directors on May 16, 2014 and approved by the Corporation's Shareholders on June 24, 2014.

The Advance Notice Provisions provide Shareholders, directors and management of the Corporation with a clear framework for nominating directors for election. Among other things, the Advance Notice Provisions fix a deadline by which holders of Common Shares must submit director nominations to the Corporation prior to any annual or special meeting of Shareholders and sets forth the minimum information that a shareholder must include in the notice to the Corporation for the notice to be in proper written form.

A copy of By-Law No. 2 is available under the Corporation's SEDAR profile at www.sedar.com.

The Corporation has not received notice of a nomination in compliance with its By-Laws and, as such, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Corporation will be disregarded at the Meeting.

The following disclosure sets out the names of management's nominees for election as directors, all major offices and positions with the Corporation and any of its significant affiliates each now holds (within the last five years for each new director nominee), each nominee's principal occupation, business or employment, the period of time during which each has been a director of the Corporation and the number of Shares of the Corporation beneficially owned by each, directly or indirectly, or over which each exercised control or direction, as at the Record Date.

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a corporation, whose members are elected by and are accountable to the Shareholders of the corporation. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices; as such practices are both in the interests of Shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Corporation's board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board facilitates its independent supervision over management by conducting a quarterly review of the Corporation's financial statements and management discussion and analysis as well as requiring material transactions to be approved by the Board prior to the transaction taking place.

A majority of the Board is not independent. The independent member of the Board is James Robertson. The non-independent directors are José Antonio Rivero Larrea (Chairman of the Board of Directors and a director of the Corporation and Chairman of Autlan), Esteban Rivero González (President, CEO and a director of the Corporation and a director and COO of Autlan) and Horacio Alcocer (a director of the Corporation and Senior Manager at Autlan).

Directorships

José Antonio Rivero Larrea is a director of Autlan, a reporting company listed on the Mexican Bolsa (“**BMV**”), a Mexican stock exchange.

Esteban Rivero González is also a board member of Autlan.

James Robertson is a director of Newport Exploration Ltd., which is listed on the TSXV.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Corporation’s properties and on the responsibilities of directors.

Board meetings may also include presentations by the Corporation’s management and employees to give the directors additional insight into the Corporation’s business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors’ participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board’s duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Corporation, this policy will be reviewed.

Compensation

The Board determines compensation for the directors and Chief Executive Officer.

Other Board Committees

The Board has no committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and the audit committee.

10% Rolling Stock Option Plan (Option-Based Awards)

The Corporation's current share option plan dated for reference May 13, 2011 (the "**2011 Option Plan**"), is a "rolling" share option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Corporation, shall not

exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted. The 2011 Option Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Corporation and its subsidiaries or affiliates, options to purchase shares of the Corporation.

To align with the current TSXV policies, the Board approved the adoption of a new 10% rolling share option plan (the “**New Option Plan**”) on May 24, 2023 to replace the 2011 Option Plan.

See *PARTICULARS OF MATTERS TO BE ACTED UPON – Ratification of New Share Option Plan* for a summary of the material terms of the New Option Plan.

Summary of 2011 Option Plan:

- (a) Persons who are Service Providers to the Corporation or its affiliates, or who are providing services to the Corporation or its affiliates, are eligible to receive grants of options under the Plan;
- (b) Options granted under the Plan are non-assignable and non-transferable and are issuable for a period of up to 10 years;
- (c) For options granted to Service Providers, the Corporation must ensure that the proposed Optionee is a bona fide Service Provider of the Corporation or its affiliates;
- (d) An Option granted to any Service Provider will expire within one year (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Corporation, but only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Corporation;
- (e) If an Optionee dies, any vested option held by him or her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (f) In the case of an Optionee being dismissed from employment or service for cause, such Optionee's options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (g) The exercise price of each option will be set by the Board on the effective date of the option and will not be less than the Discounted Market Price (as defined in the Plan);
- (h) Vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Corporation or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Corporation or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Corporation or its affiliates during the vesting period; and
- (i) The Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the Plan with respect to all Plan shares in respect of options which have not yet been granted under the Plan.

The Board has determined that, in order to reasonably protect the rights of Participants, as a matter of administration, it is necessary to clarify when amendments to the Plan may be made by the Board without further shareholder approval. Accordingly, the Plan also provides the following:

The Board may, without shareholder approval:

- (a) amend the Plan to correct typographical, grammatical or clerical errors;
- (b) change the vesting provisions of an option granted under the Plan, subject to prior written approval of the TSXV, if applicable;
- (c) change the termination provision of an option granted under the Plan if it does not entail an extension beyond the original expiry date of such option;
- (d) make such amendments to the Plan as are necessary or desirable to reflect changes to securities laws applicable to the Corporation;
- (e) make such amendments as may otherwise be permitted by the TSXV Policies;
- (f) if the Corporation becomes listed or quoted on a stock exchange or stock market senior to the TSXV, make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (g) amend the Plan to reduce the benefits that may be granted to Service Providers.

Oversight and Description of Director and NEO Compensation

The Board has not appointed a compensation committee and the responsibilities relating to executive and director compensation, including reviewing and recommending director compensation, overseeing the Corporation's base compensation structure and equity-based compensation program, recommending compensation of the Corporation's officers and employees, and evaluating the performance of officers generally and in light of annual goals and objectives, is performed by the Board as a whole.

The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Corporation's senior management. The Board reviews the compensation of senior management on an annual basis taking into account compensation paid by other issuers of similar size and activity.

The Board has not considered the implications of the risks associated with the Corporation's compensation program.

The Corporation intends to formalize its compensation policies and practices and will take into consideration

the implications of the risks associated with the Corporation's compensation program and how it might mitigate those risks. The Corporation is a junior natural resource issuer whose shares are listed on NEX. The Corporation's principal objective is to identify potential mineral property transactions as a means to enhance shareholder value. In this context, the Corporation has a modest management team consisting of the CEO and CFO, who are retained on a consulting contract basis, supplemented where necessary by members of the Board. The Corporation's compensation scheme is designed to reward the NEOs for meeting the Corporation's principal objective while maintaining its status as a reporting issuer, and consists of three elements – a base salary, incentive stock options, and bonus compensation. There is no contract with the CEO and no related compensation.

The CEO's compensation was determined by negotiation between the CEO and the majority shareholder of the Corporation, and is paid directly by the majority shareholder of the Corporation without charge to the Corporation. The CFO's compensation was established by the CEO subject to the approval of the Board. The base salary element of compensation is designed to ensure the Corporation is able to retain qualified individuals to act as its CEO and CFO, and was established by arm's length negotiation with the NEOs. The Corporation grants stock options to the NEOs as a means of aligning management interests with those of the Corporation's Shareholders.

PARTICULARS OF MATTERS TO BE ACTED UPON

Ratification of New Option Plan

The 2011 Option Plan described above in this information circular "*Statement of Executive Compensation – Stock Options and Other Compensation Securities*" is the currently existing share option plan of the Corporation. The 2011 Option Plan is a "rolling" share option plan under which up to 10% of the outstanding shares from time to time may be subject to option grants, does not specify a fixed and specific number of Common Shares that may be reserved for issuance thereunder. The policies of the TSXV require that a "rolling" share option plan receive yearly shareholder ratification at a company's annual general meeting.

On November 24, 2021, the TSXV adopted a new policy 4.4 governing security based compensation ("**New Policy 4.4**"). The changes to the policy generally relate to the expansion of the policy to cover a number of types of security based compensation in addition to stock options. In order to comply with the New Policy 4.4, the Corporation has determined to adopt the New Option Plan. The New Option Plan will govern option grants made after the date of the adoption of the New Option Plan. Grants made under the 2011 Option Plan will be deemed to have been made under the New Option Plan and will be governed by the New Option Plan after the date the New Option Plan is ratified by the Shareholders at the Meeting.

The New Option Plan is also a rolling share option plan pursuant to which up to 10% of the outstanding shares may be reserved for issue from time to time, less the number of shares reserved for issue under any other share compensation arrangement (which includes the 2011 Option Plan).

Material Terms of New Option Plan

Capitalized terms used but not otherwise defined below shall have the meanings ascribed to such terms in the New Option Plan.

1. Service Provider – Service Providers are eligible for awards of Options under the New Option Plan. “**Service Provider**” means a person who is a bona fide Director, Officer, Employee, Management Company Employee, Consultant or Company Consultant, and also includes a company, 100% of the share capital of which is beneficially owned by one or more Service Providers.
2. Maximum Shares – The maximum aggregate number of Common Shares that may be reserved for issuance under the New Option Plan at any point in time is equal to 10% of the Outstanding Shares at the time the Common Shares are reserved for issuance as a result of the grant of an Option, less any Common Shares reserved for issuance under any other Share Compensation Arrangements unless this New Option Plan is amended pursuant to the requirements of the TSXV Policies (and, if applicable, NEX Policies).
3. Limitations on Issue - The following restrictions on issuances of Options are applicable under the New Option Plan, together with all other Share Compensation Arrangements:
 - (a) no Service Provider can be granted an Option if that Option would result in the total number of Options, together with all other Share Compensation Arrangements granted to such Service Provider in the previous 12 months, exceeding 5% of the Outstanding Shares, unless the Corporation has obtained “Disinterested Shareholder Approval” (as defined in the New Option Plan to mean approval evidenced by a majority of the votes cast by all the Shareholders at a duly constituted Shareholders’ meeting, excluding votes attached to Common Shares beneficially owned by Insiders of the Corporation who are Service Providers or their Associates);
 - (b) the aggregate number of Options, together with any other Share Compensation Arrangement, granted to all Investor Relations Service Providers in any 12-month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSXV;
 - (c) the aggregate number of Options granted, together with any other Share Compensation Arrangements, granted to any one Consultant in any 12 month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSXV;
 - (d) for so long as such limitation is required by the TSXV, the maximum number of Options which may be granted within any twelve (12) months period to Service Providers who perform investor relations activities must not exceed 2% of the issued and outstanding Common Shares, and such Options must vest in stages over twelve (12) months with no more than 25% vesting in any three month period. In addition, the maximum number of Common Shares that may be granted to any one Consultant under this Plan, together with any other Share Compensation Arrangements, within a twelve (12) month period, may not exceed 2% of the issued Common Shares calculated on the date of grant;
 - (e) Investor Relations Service Providers cannot receive any security based compensation other than Options.

Options cannot be issued to Investor Relations Service Providers while the Corporation is listed on the NEX Board of the TSX Venture Exchange.
4. Maximum Percentage to Insiders – Subject to Disinterested Shareholder Approval, the aggregate number of Common Shares reserved for issuance to Insiders of the Corporation under the New Option Plan, together with any other Share Compensation Arrangements, cannot exceed 10% of the Outstanding Shares.
5. Maximum Percentage to Insiders within any 12-month period - Subject to Disinterested Shareholder Approval, the number of Common Shares issued to Insiders of the Corporation within any 12-month period under the New Option Plan, together with any other Share Compensation Arrangements, cannot exceed 10% of the Outstanding Shares.
6. Exercise Price – The Exercise Price of an Option will be set by the Board at the time such Option is allocated under the New Option Plan, and cannot be less than the Discounted Market Price (as defined in TSXV Exchange Policy 1.1).

7. Vesting of Options - Vesting of Options shall be at the discretion of the Board and, with respect to any particular Options granted under the New Option Plan, in the absence of a vesting schedule being specified at the time of grant, Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:
 - (a) the Service Provider remaining employed by or continuing to provide services to the Corporation or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Corporation or any of its Affiliates during the vesting period; or
 - (b) the Service Provider remaining as a Director of the Corporation or any of its Affiliates during the vesting period.
8. Vesting of Options Granted to Investor Relations Service Providers - Options granted to Investor Relations Service Providers will vest such that:
 - (a) no more than 25% of the Options vest no sooner than three months after the Options were granted;
 - (b) no more than 25% of Options vest no sooner than six months after the Options were granted;
 - (c) no more than 25% of Options vest no sooner than nine months after the Options were granted; and
 - (d) the remainder of the Options vest no sooner than 12 months after the Options were granted.
9. Term of Option – The term of an Option will be set by the Board at the time such Option is allocated under the New Option Plan. An Option can be exercisable for a maximum of 10 years from the Effective Date.
10. Optionee Ceasing to be a Director, Employee or Service Provider – Options may be exercised after the Service Provider has left his/her employ/office or has been advised by the Corporation that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:
 - (a) in the case of the death of an Optionee, any vested Option held by him/her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
 - (b) an Option granted to any Service Provider (excluding Service Providers conducting Investor Relations Activities) will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Corporation, and only to the extent that such Option was vested on the date the Optionee ceased to be so employed by or to provide services to the Corporation;
 - (c) an Option granted to any Investor Relations Service Provider will expire 30 days after the date the Optionee ceases to be employed by or provide services to the Corporation, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Corporation; and
 - (d) in the case of an Optionee being dismissed from employment or service for Cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.
11. Non-Assignability of Options – Except in the case of death of an Optionee, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

12. Amendment of the New Option Plan by the Board of Directors - Subject to the requirements of the TSXV Policies and the prior receipt of any necessary Regulatory Approval, the Board may in its absolute discretion amend, or modify the New Option Plan or any Option granted as follows:
 - (a) it may make amendments which are of a typographical, grammatical or clerical nature only;
 - (b) amendments of a housekeeping nature;
 - (c) it may change the vesting provisions of an Option granted pursuant to the New Option Plan, subject to prior written approval of the TSXV, if applicable;
 - (d) it may change the termination provision of an Option granted pursuant to the New Option Plan which does not entail an extension beyond the original Expiry Date of such Option or 12 months from termination;
 - (e) it may make amendments necessary as a result in changes in securities laws applicable to the Corporation or any requested changes by the TSXV;
 - (f) if the Corporation becomes listed or quoted on a stock exchange or stock market senior to the TSXV, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
 - (g) it may make such amendments as reduce, and do not increase, the benefits of the New Option Plan to Service Providers.
13. Amendments Requiring Disinterested Shareholder Approval - The Corporation will be required to obtain Disinterested Shareholder Approval prior to any of the following actions becoming effective:
 - (a) the New Option Plan, together with all of the Corporation's other previous Share Compensation Arrangements, could result at any time in:
 - (i) the aggregate number of Common Shares reserved for issuance to Insiders exceeding 10% of the Outstanding Shares;
 - (ii) the aggregate number of Common Shares reserved for issuance to Insiders within a 12-month period exceeding 10% of the Outstanding Shares; or
 - (iii) the aggregate number of Common Shares reserved for issuance to any one Optionee within a 12-month period exceeding 5% of the Outstanding Shares; or
 - (b) any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option held by an Insider at the time of the proposed amendment, is subject to Disinterested Shareholder Approval in accordance with the policies of the TSXV.
14. Take Over Bid - If a Take Over Bid is made to the Shareholders generally then the Corporation shall immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding other applicable vesting requirements or any vesting requirements set out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSXV (or the NEX, as the case may be) for vesting requirements imposed by the TSXV Policies.
15. Black-out Period - The New Option Plan also contains provision for a "Black-out Period". Should the Expiry Date for an Option fall within a Black-out Period, such Expiry Date shall, subject to approval of the TSXV (or the NEX, as the case may be), be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Black-out Period, such tenth (10th) Business Day to be considered the Expiry Date for such Option for all purposes under the New Option Plan. The tenth (10th) Business Day period referred to herein may not be extended by the Board. "**Black-out Period**" is defined in the New Option Plan to mean an interval of time during which the Corporation has determined that one or more Participants may not trade any securities of the Corporation because they may be in possession of undisclosed material information pertaining to the Corporation, or when in anticipation of the release of quarterly or annual financials, to avoid potential conflicts associated with a company's insider-trading policy or applicable securities legislation, (which, for greater certainty, does not include the period during

which a cease trade order is in effect to which the Corporation or in respect of an Insider, that Insider, is subject).

16. Cashless Exercise – The New Option Plan also contains a “cashless exercise” or “net exercise” basis. “Cashless exercise” is a method of exercising stock options in which a securities dealer loans funds to the option holder or sells the same shares as those underlying the option, prior to or in conjunction with the exercise of options, to allow the option holder to fund the exercise of some or all of their options. “Net exercise” is a method of option exercise under which the option holder does not make any payment to the issuer for the exercise of their options and receives on exercise a number of shares equal to the intrinsic value (current market price less the exercise price) of the option valued at the current market price. The current market price must be the 5-day volume weighted average trading price prior to option exercise. “Net exercise” may not be utilized by persons performing investor relations services.

Exercise Price

3.1 The Exercise Price of an Option will be set by the Board at the time such Option is allocated under this Plan, and cannot be less than the Discounted Market Price.

Term of Option

3.2 The term of an Option will be set by the Board at the time such Option is allocated under this Plan. An Option can be exercisable for a maximum of 10 years from the Effective Date.

Where applicable, vesting of Options will generally be subject to:

- (a) the Participant remaining employed by or continuing to provide services to the Corporation or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Corporation or any of its Affiliates during the vesting period; or

3.8 If a Take Over Bid is made to the shareholders generally then the Corporation shall immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding §3.6 or any vesting requirements set out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSX Venture for vesting requirements imposed by the TSX Venture Policies.

Acceleration of Vesting on Change of Control

3.9 In the event of a Change of Control occurring, Options granted and outstanding, which are subject to vesting provisions, shall be deemed to have immediately vested upon the occurrence of the Change of Control, excluding Options granted to a Person engaged in Investor Relations Activities.

Notwithstanding the foregoing, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the TSXV.

Extension of Options Expiring during Black-out Period

3.10 Should the Expiry Date for an Option fall within a Black-out Period, such Expiry Date shall be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Black-out Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan, provided that such automatic extension of the Expiry Date for an Option will not apply where the Participant or the Corporation is subject to a cease trade order (or similar order under securities laws) in respect of the Corporation's securities.

Optionee Ceasing to be Director, Employee or Service Provider

3.11 Options may be exercised after the Participant has left his/her employ/office or has been advised by the Corporation or its subsidiary, as applicable, that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:

- (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
- (b) an Option granted to any Participant will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the Termination Date, and only to the extent that such Option was vested at the Termination Date; and
- (c) in the case of an Optionee being dismissed from employment or service for Cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate on the Termination Date without right to exercise same.

Non-assignable

3.12 Subject to §3.11(a), all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

Adjustment of the Number of Optioned Shares

3.13 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

- (a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Corporation will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefor;

- (b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Corporation will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;
- (c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Corporation will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;
- (d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Corporation, a consolidation, merger or amalgamation of the Corporation with or into any other company or a sale of the property of the Corporation as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Corporation for the purposes of this §3.13;
- (e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;
- (f) the Corporation will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this §3.13, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Corporation;
- (g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this §3.13, such questions will be conclusively determined by the Corporation's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Corporation's principal executive office) that the Corporation may designate and who will be granted access to all appropriate records and such determination will be binding upon the Corporation and all Optionees; and
- (h) any adjustment, other than in connection with a security consolidation or security split, to Options granted or issued under this Plan is subject to the prior acceptance of the TSX Venture, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.
